### "QUICK MEAL" GAS RANGES

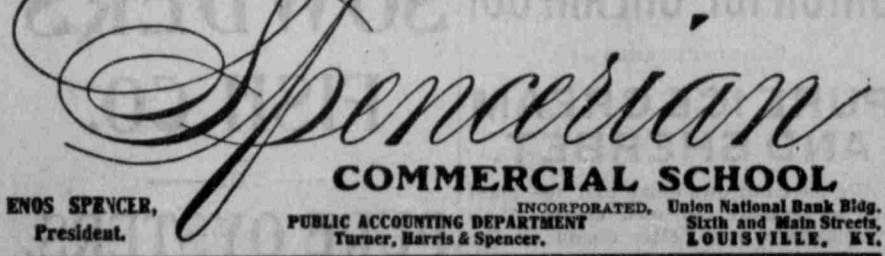

For many years the "Quick Meal" has been universally acknowledged as the best gas range in the market. They cook quickly, bake excellently and on account of their patent air burners consume less gas than any other. They are more easily cleaned and are made to last. The new improvements this year will keep it in the front rank. Having made our 1907 contract before the advance in prices of all iron goods we are able to sell at old prices.

### CHATTANOOGA.

Admirable Financial Report  
and Census of Sts. Peter  
and Paul's.

We have seen a printed financial statement and census report of Sts. Peter and Paul's church of Chattanooga, Tenn., of which the Rev. Thomas V. Tobin is pastor, and the Rev. John F. Hayes is assistant pastor. The statement is from January 1, 1906, to January 1, 1907. During that time this church had no fair or bazaar or any other entertainment to raise money, all the money received coming entirely from direct contributions, from pew rent and from subscriptions and offertory collections. When Father Tobin took charge of this parish there was a big debt upon the church, which is a new and handsome edifice.

During the year ended the people of the congregation contributed in the manner stated \$15,992.61. Of this sum \$3,500 was pew rent; \$1,521.17 came from offertory collections, and \$6,572.90 from voluntary subscriptions. The congregation raised \$4,000 more last year than the year before, and it is steadily reducing its debt, although it spent \$3,000 last year for remodeling its school.

Fifteen people gave a voluntary contribution of more than \$100, six or seven gave \$200, one gave \$370 and one gave \$450; yet very few of these people could be called rich. The pastor of this church, as we are well informed, stands high with all the people of Chattanooga, whether Catholic or non-Catholic, and in the press of that city no statement that is unfair or injurious to the Catholic church goes without temperate and yet effective reply. Occasionally lectures on Catholic or historical questions bearing upon the church by eminent men are promoted and attended to by the pastor. The fruits of such intelligent, zealous and religious work has been great.

### COMIC OPERA

Mackin Council Making Progress With Coming Show.

Mackin Council's members were greatly enthused Monday night with the progress being made with the comic opera that will be produced under its auspices next May. The company will number over fifty people, who are attending regularly the rehearsals and instructions given by Prof. Vincent Fahs. It is said the production will be a pleasant surprise to the friends of the council and the general public.

After acting upon several reports and receiving communications from the Visiting Committee reported that four more names had been taken from the sick list and that the others were progressing toward recovery. President Sand announced that because of the time that would be consumed in the consideration of the by-laws the address that was to have been delivered had been postponed to a later date.

The By-laws Committee submitted its report after a careful revision, and recommended but few minor changes. Each section was considered and debated at some length, but the work was completed and the council now has a set of laws that will stand for years to come. No action was taken on the annual outing, the special committee not having received answers from several places that would be suitable for such an affair.

### TOURNAMENT SCORES.

The St. Louis bowling tournament came to a close Wednesday night with no records broken for high scores in the bowling game, very few teams even rolling their regular averages, which different explanations have been offered for, some attributing it to the heat, different quality of pins and other innumerable reasons. Next year's tournament will be in Cincinnati and Garry Hermann, of the same city, was elected President of the American Bowling Congress. The convention endorsed elected President being accorded an ovation when R. W. Brown, of this city, in his nominating speech stated that Mr. Hermann always carried his union printer's card in his pocket.

The Louisville teams' tournament scores were as follows: Squire Adams, 2,517; Kentucky Irish American, 2,473; Coca Cola, 2,466; Haager's, 2,417; Vic

Lorch, 2,371; Old Forrester, 2,359; Y. M. I., 2,351; Queen of Nelson, 2,335; Old Charter, 2,305.

### CHANGE WORKS WELL.

Members of Division 4, A. O. H., Delighted With Their Quarters.

The change of Division 4's meeting place to Sixth and Walnut was responsible for one of the largest meetings in several years on Wednesday night. Considerable business of a routine nature was disposed of and the members regretted to learn of William Conley's continued illness. The membership was increased by the addition of three new members—William S. Rider, Harry S. Flynn and Patrick Mitchell, who were obligated by President McGinn, after which each expressed himself pleased with their new connections and said they would strive hard to build up the division. The names of Messrs. Michael McDermott, John E. Buckley and Thomas F. Burke were proposed for membership and accepted, and they will receive the obligation at the next meeting. As stated above the central location of Division 4 will be the means of bringing out a good many of the boys and a big boom in the ranks may be looked for.

### AMUSEMENTS.

It seems as if the best of the vaudeville season is being saved for the last. Next week among others to appear at the Hopkins are the Four Lukens, Lewis McCord and Company, Marcano, Nevaro and Marcano, Lew Wells and other acts. All of these are said to be unusually strong acts. New moving pictures will be shown.

It is announced that the new Mary Anderson will be opened on Monday evening next with DeWolf Hopper as the attraction. Mr. Hopper is announced for appearance the first half of the week in the musical comedy "Happyland," and the last half of the week in "Wang."

Jim Corbett, who has developed into a real actor, comes to the Masonic next week in his new play, entitled "The Burglar and the Lady." He is said to have made remarkable strides forward in the histrionic field, and the play a very interesting offering.

At Macauley's on Thursday, Friday and Saturday nights and Sunday matinee, the Askin and Singer Company will offer the latest Chicago musical comedy success, "The Time, the Place and the Girl," with Arthur Deagon and a big cast.

A big laughing show, presenting the New Century Girls, will be the Buckingham offering for next week. There are thirty-five people in the company and every act is said to be a feature.

### WITH THE SICK.

Lieut. Edward Heffernan, who recently recovered from an attack of pneumonia, was last week stricken with the grip and again compelled to go off duty. The last reports were that his condition was improving and that he would soon return to his post at the head of the Third district, which has been in charge of Corporal Patrick Kenally.

The condition of Patrolman James Welsh, one of the best men in the police department, of the Fourth district, who has been ill of stomach trouble several weeks, is reported improved at his home, at Twenty-third and Bank streets.

### SOCIAL MEETING.

Division 1, of the Ladies' Auxiliary, A. O. H., will hold a social meeting in their hall at Seventeenth and Main streets next Wednesday evening, and are arranging a musical and literary programme for the occasion. This will be an open meeting and all Hibernians and their friends are invited to attend, as the ladies promise them quite a treat in the matter of entertainment. County President Miss Ella O'Connell has received a communication from State Secretary Miss Ada Conklin, of Covington, stating she would be on hand that evening to address the members. The committee in charge are Misses Ella O'Connell, Julia Kelly, Elizabeth King, Mary O'Brien, Rose Sweeney and Mrs. Rosa Ansbach.

### THE CRIMES ACT.

House of Commons Favors Repeal of Anti-Fenian Legislation.

The House of Commons recently discussed the motion made by Michael H. Hogan, member for Tipperary, in favor of repealing the Irish crimes act, which was carried by 252 votes to 83. The motion was strongly opposed by Unionist speakers. Chief Secretary for Ireland Birrell, who described the act as a "code of tyrannical laws," said that so far as the present Government is concerned the act is dead and buried and will be formally repealed at the earliest opportunity, and announced that the Government will unhesitatingly support Hogan's motion. He said also he proposes, after Easter, to introduce a bill which will bring about the restoration of evicted tenants to their homes and give the power compulsorily to acquire the land necessary to this end.

The Irish crimes act became law in 1882 following the Phoenix Park, Dublin, outrage, when the Chief Secretary for Ireland, Lord Frederick Cavendish, and the permanent Under Secretary, Thomas H. Burke, were assassinated. The act was exceedingly stringent, and among other things permitted the examination of witnesses without bringing any specific charges against individuals. By this means the existence of the famous "Invincibles," a society of extreme Fenians, was discovered. Each member of the organization was acquainted by name with only two others—the one who nominated him to membership and the one whom he in turn nominated. The assassination of Government officials was declared to have been planned in this society. The crimes act has been in abeyance since 1885, but has nevertheless been a menace to Irish agitators, as it was still on the statute books.

### ANNUAL OUTING.

Subject of An Interesting Discussion by Division 3, A. O. H.

The last meeting of Division 3, A. O. H., was well attended and showed that the new home of that body grows in favor with the members. Vice President Phil Cavanaugh occupied the chair, President Coleman being unavoidably absent. Daniel Dougherty was reported well, leaving none on the sick list. Patrick J. Welsh read an ably prepared and interesting paper pertaining to St. Patrick and the faith of the Irish nation that evoked frequent applause.

The subject of the annual outing or celebration was quietly but earnestly discussed, the idea being to get the views of the members as to what manner of observance would prove the most satisfactory. All present expressed their views, which will be conveyed to the committee having the matter in charge. The committee was appointed at a recent meeting of the County Board and consists of Messrs. Peter J. Cusick, Joseph Lynch, D. J. Coleman and Joseph Lenihan. It is the intention to make the celebration a notable one, and none will give it more earnest support than the members of Division 3. Division 3 expects to have an initiation very soon, having many candidates on the list awaiting conferring of the degrees.

### FATHER MURPHY BETTER.

Rev. Father Denis Murphy, whose recent arduous labors impaired his health, is reported much better and will be able to officiate at the Easter services at St. William's church tomorrow. Father Murphy suffered a serious attack of the grip, which it was thought might necessitate his removal to a hospital for treatment and recuperation. The news of his improved condition will be welcomed throughout the entire city.

### MAGISTRATE SULLIVAN.

The friends of Magistrate Sullivan are petitioning Gov. Beckham to appoint him to the vacancy created by the contest decision. His record since assuming the office has been approved by almost the entire bar, regardless of politics, and the lawyers are solid for him. There is no doubt that he will run again in November, when his election is assured by a tremendous majority.
